 LONDON. ARTISTS PAINTING FLOWERS IN HYDE PARK.

My dear. I am very sorry to hear to contradict you
and you are really my best friend like the girl.

I wrote you I'm quite sure in July which you answered & was properly answered in a good manner. I also gave me a lot of news including your expected visit to London. Then I wrote you some after my return from Wales about the middle of September & you still waiting for the answer. I liked it & thought it a good letter & I let me have a good full account of your holiday in London & Blackpool; chatting like the old I gave of my holiday. And then you acknowledged "beaten"!! Just tryed my reflex & clothes & a luxury trip. Had a jolly time you had during C. H.'s holiday. The weather here for two weeks; and he has told you no clouds. I'm 7. And one of the new & again my collection is going quite big. My line is still 10. 1. & lots for you. J.C. 11.
